Sir,

Subject - Conveyance allowance to the Sectional Officers of the Municipality

---

I have the honour to state that on a representation given by the Health Officer, Mysore City Municipality, that the CA of Rs 75/- given to him was not adequate, considering the present cost of maintaining motor cars, the question of revising the conveyance allowance of the several officers of the Municipality was examined in detail At present the Sectional Officers of the Municipality are in receipt of conveyance allowance as noted below -

1	The Municipal Engineer	Rs 75/- p m
2	The Health Officer	Rs 75/- "
3	The Revenue Officer	Rs 75/- (consolidated allowanc
4	The Octroi Superintendent	Rs 20/- p m

The cost of maintaining motor vehicles has appreciably increased in recent times The price of petrol and spare parts has gone up The rates of motor taxation have also been enhanced The cars have to be insured compulsorily and heavy annual premia has to be paid for insurance Taking into consideration all these factors, the Mysore City Municipal Council was of the opinion that it was necessary to revise the conveyance allowance given to the Sectional Officers of the Municipality They have accordingly resolved that the conveyance allowance given to the Health Officer and the

Municipal Engineer be enhanced from Rs 75/- to Rs 100/- p m with effect from 1st February 1950 and that the conveyance allowance given to the Octroi Superintendent, who is maintaining a motor bicycle, may be enhanced from Rs 20/- to Rs 25 The extra expenditure on this account for the current year is proposed to be met from the closing balance

In this connection, it may be stated that the conveyance allowance of the Engineer of the Mysore City Improvement Trust Board has been enhanced from Rs 75/- to Rs 100/- per mensem in G O.No L 2714-7/ITB 4-49-3 dated 8-9-1949

In enclosing herewith a copy of the resolution No 763 dated 11-2-1950, I request that orders of Government may kindly be obtained and communicated early

Dear Sri Balasubramanyar,

I understand from the Municipal Engineer that his bill for arrears of enhanced Conveyance Allowance due to him as per revision ordered in G O No 8560-63/CM 3-51-26 dated 10-11-1951 has not been pre-audited for the reason that a copy of the Government Order has not been communicated to the Accountant-General through the Financial Secretary who has therefore not sent the necessary audit slip The same difficulty has been experienced in the case of enhanced Conveyance Allowance due to the Health Officer also I see from the Government Order that a copy has been endorsed to the Controller, States Accounts Department Bangalore through the Financial Department This apparently is not sufficient I request you kindly to take necessary action in the matter so that the officers may be enabled to draw the Conveyance Allowances sanctioned

Dear Sir,

I write to invite your reference to G O No L 8560-62 C W 3-51-25 dated the 10/11th November 1951 sanctioning to the Engineer and the Health Officer of this Municipality, an enhanced Conveyance Allowance of Rs 100/- p m with effect from 1-2-50 So far the Audit slip from the Accountant General, has not been received in spite of a copy of Govt order having been sent to the Accountant General as per his reference No G A D 2/P H 191 dated 18-12-51 I understand that the delay in sending the Audit slip authorising us to draw Rs 100/- p m is due to the fact that the Govt order has not been forwarded to the Accountant General through the finance Department If the arrears of Conveyance allowance are not drawn before the end of the official year, the amount provided in the Budget will lapse and we will be put to inconvenience

I therefore request you kindly to instruct the Assistant
